DISTRICT 4 ADAM & MARY EBERT COON RAPIDS

Adam and Mary Ebert live in Guthrie County and have 3 children; Heidi (4.5), Logan (2.5) and Tucker (1 month). Both Adam and Mary graduated from Iowa State University with degrees in agriculture in 2009.

Adam and Mary were fortunate to move back home after college to farm. They started custom manure hauling to help diversify the family operation. The Eberts raise corn, soybeans, cattle and hogs in their own farming enterprise and also farm along with Mary's dad, three brothers and their families.

Mary works for Guthrie County ISU Extension and Outreach as their Program Coordinator.

Adam and Mary have been active members of Guthrie County Farm Bureau. Adam currently serves as County President. Mary is active with Ag in the Classroom activities. This is their first year on the Young Farmer Advisory Committee.

Adam and Mary are active within their community, enjoy attending and volunteering at their church, and are volunteer EMTs. Adam is on the local fire department. Mary serves on the board for their children's daycare center.

In their spare time, Adam and Mary enjoy spending time with their family, working together on the farm and camping. When time allows, they enjoy going to local county fairs and the Iowa State Fair.
