

# CORDT & KRISTA HOLUB

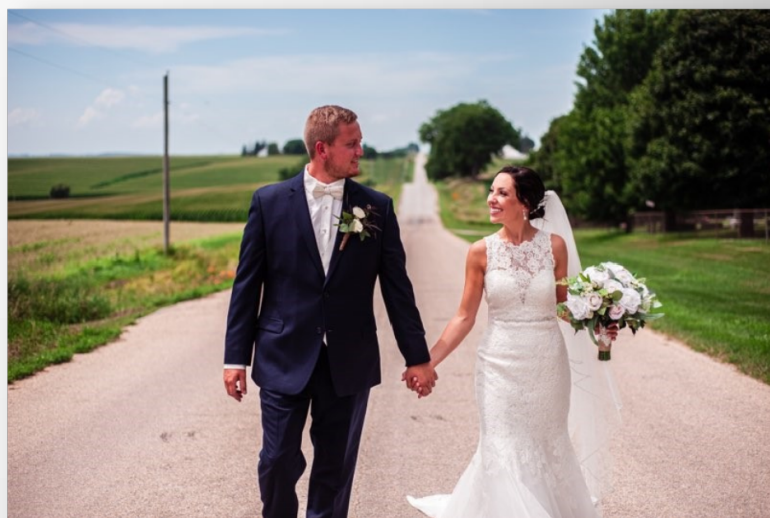

## District 6 | Buckingham, IA

Cordt farms on a 4th generation family operation located in northern Tama County - raising corn, soybeans, cattle, and custom farms with his brother and father. Cordt also sells Nutech Seed alongside the farming operation. Krista grew up on a row crop farm in Butler County and helps out when needed. Krista works as a full time registered nurse at Dermatology Associates in Waterloo, IA.

The couple married in July of 2020, amidst the pandemic.

Together they enjoy attending concerts, traveling, golfing, cooking, and spending time with their sweet goldendoodle named Ferlin.

Cordt is a graduate of Iowa Farm Bureau's Ag Leaders Institute and a recipient of the 2021 Young Farmer Leadership Award. He has also participated in the Washington DC policy trip and has hosted Governor Reynolds for an ag-related bill signing.

Both have attended Young Farmer Conferences and look forward to more!
