## DISTRICT 1

### RANDY & MEGAN FRANCOIS MASONVILLE

Randy and Megan Francois are the Young Farmer Advisory Committee representatives from District One in Northeast Iowa. Megan is currently a Consumer and Mortgage Lender at Dupaco. Randy works on the family farm, Hillside Partners where they own, market and finish out hogs. In addition, they grow corn and soybeans and stay busy with hauling manure, hauling pigs and mixing and delivering feeds.

Randy and Megan were introduced to the Young Farmer program when they attended their first Young Farmer Conference in 2014 and knew right away it would make a special impact on their lives.

They have been fortunate to attend many Young Farmer events and have benefited from attending Farm Bureau programs. Randy is currently the vice president of the Delaware County Farm Bureau and is a 2016 Ag Leaders Institute graduate. Both Randy and Megan have participated in the Discussion Meet, with Randy going to the semi-finals two years in a row.

Randy and Megan are blessed that not only does the family farm continue to grow, so does their family. They were married in 2015. John Jerald (JJ) was born in June 2018 and he recently became a big brother to sister Macy, who is six months old! JJ is a very energetic, outgoing two year old. One of his first words was "tractor" and he is impressed with anything with wheels. In addition to spending a lot of time with their extended families, Randy and Megan enjoy being outdoors, traveling, spending time at the river, and watching the Iowa Hawkeyes.
