GET TO KNOW THE BRINCKS'

Devin and Meghan live and farm in southern Winneshiek County. They have a diversified crop and livestock operation where they grow corn, soybeans, and alfalfa with the help of Devin's parents and brother. They also own Haven Pride Pork LLC, which is an independent 300 head farrow to finish operation! Together they have 2 daughters, and off-farm Meghan is a school teacher. Their daughters love seeing the "baby baby" piglets on the farm and riding in the tractor. Both Devin and Meghan grew up on family farms, which got them passionate about agriculture at a young age. Devin joined the board in 2017 and is currently the County Vice President. Previously, he served as treasurer and secretary. He also completed the Ag Leaders program and attended many town halls and Farm Bureau days at the capital! In the past years, they have attended the Young Farmers conference and the Ag Insights tour!
