

2027 AG LEADERS INSTITUTE

Applications Due October 30, 2026

WHY IT MATTERS

The Ag Leaders Institute is more than a leadership program - since 1998, it's been a trusted launchpad for Farm Bureau members who want to shape the future of agriculture and rural Iowa. For over two decades, this program has equipped emerging leaders with the tools, confidence, and connections to make a lasting impact. Through a series of dynamic, interactive sessions, participants gain:

- The latest information and insights on issues important to agriculture
- Practice in developing the leadership skills needed to lead change and tackle challenges critical to agriculture
- A statewide network of leaders in Farm Bureau and agriculture who are committed to the future of rural Iowa

Whether you're already active in your community or just beginning your leadership journey, the Ag Leaders Institute is designed to help you grow, strengthen your leadership, and become a voice for Iowa agriculture.

WHAT ALUMNI ARE SAYING

Ag Leaders was a fun and rewarding experience-the program allowed me to grow and strengthen my leadership and advocacy skills while building lasting friendships across the ag community.

- Jade Schneider, Delaware County

I became part of a tight-knit group of individuals from across the state that shared my passion for agriculture, a welcome change from the isolated machinery, fields, and barns where we spend our days. The skills and tools I learned allow me to confidently share our story of agriculture with others.

If we don't share, the story being told may not be the reality we live.

It truly was one of the greatest experiences I've ever taken part in.

- Jason Sherer, Harrison County

Farm Bureau's Ag Leaders Institute is a great way to challenge your thinking, step out of your comfort zone, and grow both personally and professionally. It's not easy to step away from the demands of everyday life, but the experience is absolutely worth it - you'll leave feeling inspired, energized, and excited to come back for more.

- Sara Mohr, Iowa County
