

# YOUNG FARMER ADVISORY COMMITTEE

## TANNER BRASS

District 2 | Hampton, IA

**YOUNG  
FARMERS**

IOWA FARM BUREAU

### GET TO KNOW TANNER

Tanner farms with his family in and around Franklin County, where they grow corn, soybeans, and alfalfa. He also does some custom farming on the side. Tanner has been deeply involved in the farm since he was young, starting out as his dad's "shadow," and the rest is history. He grew up around hogs, cattle, and row crops, but over time, he found his true passion in the equipment side of farming. In 2017, Tanner joined the Franklin County Farm Bureau Board and took on the role of board secretary. He's now serving as Vice President and plans to step into the President role when the time comes. Alongside his board work, Tanner has been a regular at Young Farmer events, even before joining the board, and was recognized as a Young Farmer Leadership Award winner in 2022.
