GET TO KNOW THE COHOONS

Tim & Nicole Cohoon live in Sac City, where they farm alongside Nicole's family, raising corn, soybeans, alfalfa, and running a cow-calf operation. Outside of the farm, Nicole works as a Financial Officer for Farm Credit Services of America in Storm Lake. Tim runs his own branding and digital marketing agency, BreakThru 360 Marketing. The couple also owns their own business Core Aquatics 360 which is focused on teaching water safety and life-saving skills! Nicole is active in her local County Farm Bureau, serving on the board and co-chairing the fair committee. She's also taken part in several leadership and advocacy programs, including the National Policy Trip to Washington, D.C., F.A.R.M. Team Training, and Farm Bureau Day at the Capitol. At the state level, both Tim and Nicole have been regulars at the Young Farmer Conference, competed in the Discussion Meet, and joined the Ag Insights Tour - traveling to Kansas City in 2019 and Eastern Iowa in 2023. This year, Nicole is participating in the 2025 Market Study trip as well!
