Step One: Signing In
 Head to [YouTube](https://www.youtube.com) and sign in with the Google Account you would like to associate with your YouTube Account.

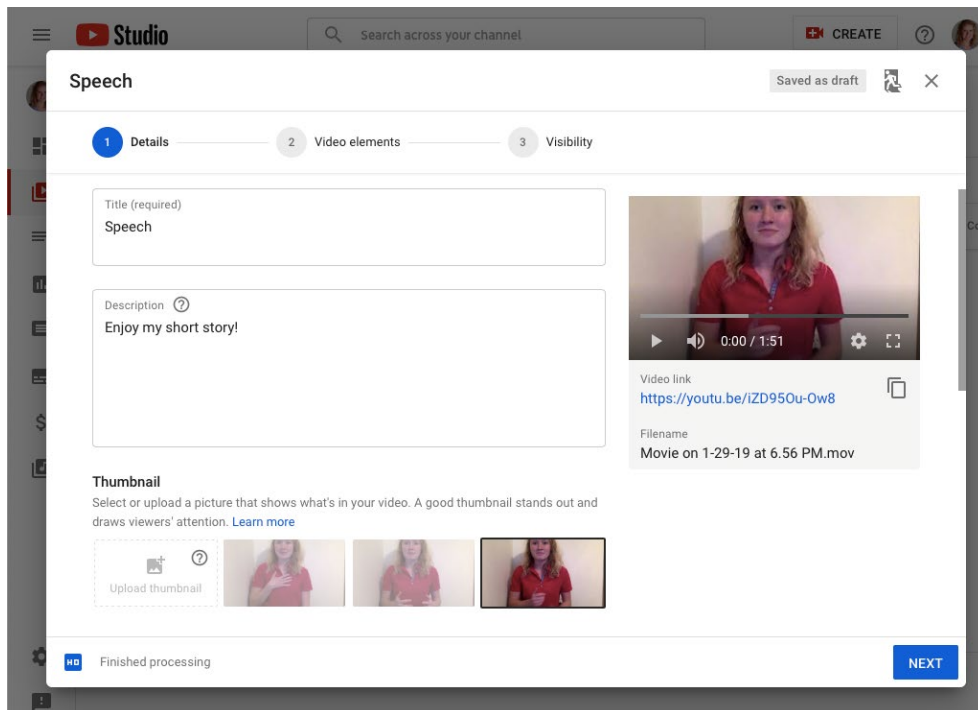

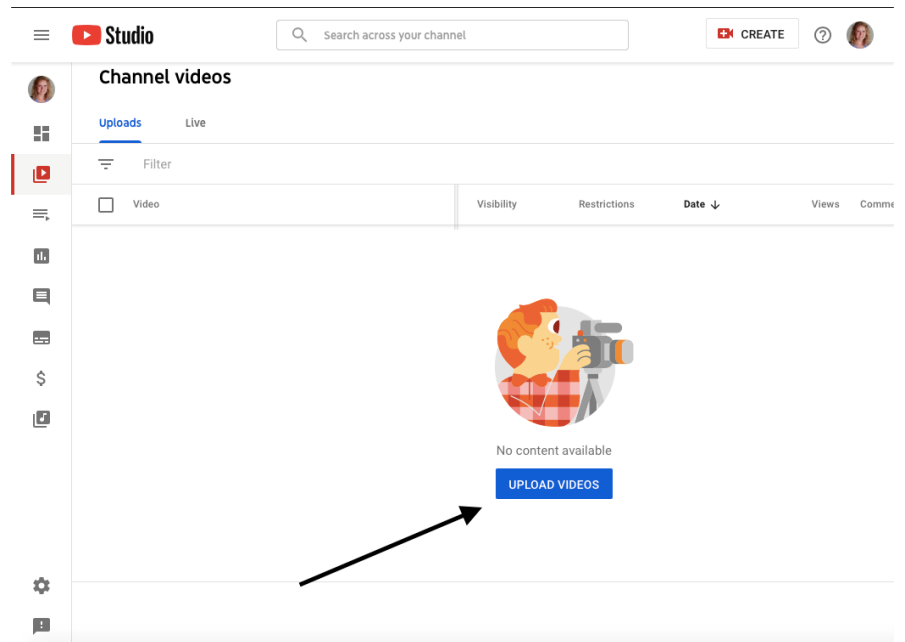

Step Two: Creating a Channel

Once you're logged in, click on your icon in the top right corner and select "Create a Channel".

Step Three: Upload Videos

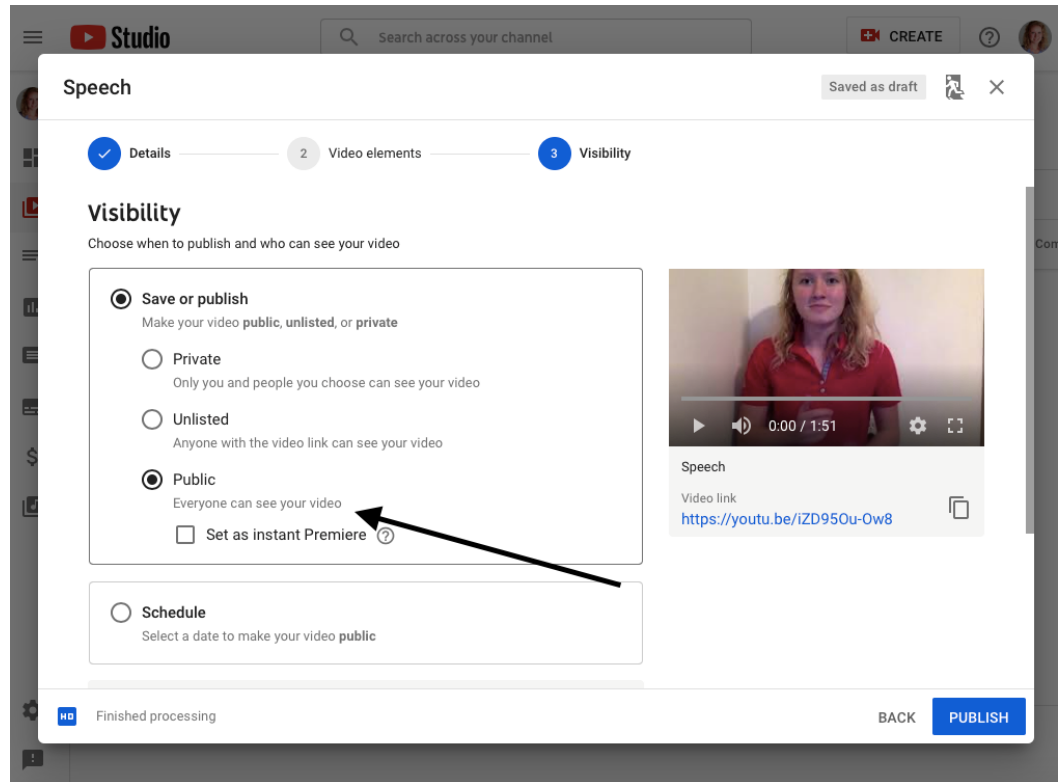

Now, you will be able to upload videos to your channel. Select “Upload Videos” and select the video file you wish to upload.

Video Details:

After you title your video, you also have the option to add a video description, upload a photo for the face of your video, and edit other video elements.

Making it Public:
Finally, make sure that you make the video public so that it can be seen by everyone. Then you are good to publish!

If you have any other questions about managing your YouTube account or are having difficulty uploading any videos, please reach out to NAME HERE at EMAIL HERE.
