DES MOINES MARRIOTT DOWNTOWN JUNE 28, 2019

## BIO: Dr. Dennis Todey

Dr. Dennis Todey is the Director of the USDA Midwest Climate Hub in Ames, IA. The hub delivers actionable climate information for agriculture in an eight state region over most of the Corn Belt. He was the state climatologist South Dakota and Associate Professor at South Dakota State University. He has worked on regional climate services in the Missouri River Basin and Midwest for over a decade partnering with NOAA, Regional Climate Centers, state climatologists and state extension. He also worked on issues of climate change impacts on all types of Midwest/Plains agriculture.
