## BIO: Debra Bauler

Strategic Business Partner, Cargill Protein & Salt (CPS) and Business Operations and Supply Chain (BOSC); based in Minneapolis, MN.

### Personal Life

- Debra is married to James Williamson and has two children: Sophia and Bennett. She enjoys traveling, photography and yoga.

### Professional Life

- Debra is the chief information officer for Cargill Protein and Salt (CPS) and serves as a member of its executive team.

- Debra is also a member of the Global IT executive leadership team responsible for leading the technology function that supports Cargill.

- Debra joined Cargill more than 25 years ago and has transformed IT at Cargill into an organization that delivers excellent foundational technology, protects the security of Cargill and Cargill's customers, and spurs innovation through digitalization and analytics.

- Prior to her current role, Debra held a number of roles leading IT teams in different Cargill enterprises and business units, including Cargill's Commodity Trading Business and Food Processing Businesses. Her leadership responsibilities have spanned global transformations, business intelligence teams, application teams and infrastructure teams.

- Before joining Cargill, she spent time at Target Corporation as an IT professional.

### Education

- Debra received her bachelor's degree from St. Cloud State University in St. Cloud, MN.
